

## ***32nd Space Symposium: Americas Roundtable***

*Broadmoor West: West Ballroom CD*

*April 11, 2016*

*2:00 PM – 4:00 PM*

### **Overview**

Co-hosted by the Space Foundation and the Secure World Foundation, this collaborative discussion of regional space issues will serve as an opportunity to exchange information and build new collaborations among the space professionals active in the Latin American and Caribbean region. This event builds on the organizers' efforts to cultivate a sustained, regional dialogue on common space development issues across the industry, civil, military and academic communities.

Specifically, this event seeks to engage participants in active discussion towards:

- Creating a common understanding of space development across the region;
- Exploring the need for a sustained space dialogue across the region and ways to leverage existing venues/forums to achieve that;
- Exploring collaboration opportunities and sharing experiences of innovative partnerships; and
- Expressing Space Foundation/Secure World Foundation interest to support regional space development efforts

### **Agenda and Participant Guidelines**

2:00 PM – 2:15 PM    Opening Remarks

- *Welcome from Space Foundation and Secure World Foundation*
- *Symposium networking events*
- *Roundtable goals*

2:15 PM – 3:15 PM    Exploring Space Development across the Region

*Participants from the region are invited to briefly review space development efforts in their own countries (up to 10 min. per participant)*

3:15 PM – 3:55 PM    Exploring Collaboration Opportunities

*All participants discuss the value of collaboration and partnership as well as upcoming opportunities in a guided discussion session.*

3:55 PM – 4:00 PM    Closing remarks
